Hi Rick - I just talked to Don – OGC says Ex. 5 Attorney Client (AC) I guess we'll have to move very, very fast when he gets here in the morning. Just FYI – this has been a real cluster, so don't feel bad. We had to write a complete response to comments document in 3 hours this morning – but RD will send that out. An end-of-administration push that's become a real mess. Thanks. Mike

Hi Mike,

Yudith checked and didn't see anything submitted from Phil for the cumulative (Phil is also out of the office today).

I checked with RD and they were expecting the RA and the dietary.

Thanks,

Rick

Thanks, Rick. I just talked to Yudith and we'll get back to her with the documents that need to get out. Greg – I think there's a cumulative memo that Phil wrote that needs to get out too; is that correct?  
Thanks.  
Mike

Hi Mike,

I let Greg know this was an issue and Yudith is looking at the documents now, and will get them out today if she can. I'm waiting to hear back on her progress.

Having Rick W. out of the office Friday and today made things difficult.

Thanks,

Rick

Rick – I have to let DDG know about this because it may be a big problem with folks downtown. Any way to get something earlier? Thanks. Mike

**Subject:** Aldicarb - HED memos?

Hi Mike and Will-

I have been looking through my emails for the final HED out processed memos for loading to the docket. Did I miss the email? Or are they still coming?

Please let me know.

Thank you!

Debra
